

With your TruStage lending product, your financial institution has access to our online Lending Resource Center. Through the Resource Center you will find on-demand learning, videos, job aids, tools, and so much more.

Create a New Account

- Step One:** Go to trustage.com to [Create New Account](#).
- Step Two:** Fill in your Work Email, First Name, Last Name, and Credit Union.
- Step Three:** Create your username and password.
- Step Four:** Set up your security question.
- Step Five:** Once completed, click "Manage my applications and services."
- Step Six:** Select Lending Resource Center from the Lending Support section.
- Step Seven:** Your financial institution's security administrator will approve your request before access is granted. Don't know who your security administrator is? [Look here](#).

Already have an account but can't access the Lending Resource Center?

- Step One:** Go to [My applications and services](#).
- Step Two:** Select Lending Resource Center from the Lending Support section.
- Step Three:** Your financial institution's security administrator will approve your request before access is granted. Don't know who your security administrator is? [Look here](#).

Click [here](#) to access on-demand learning and resources, or take a [tour](#) of the Lending Resource Center.
