

With your TruStage lending product, your credit union has access to our online Lending Resource Center. Through the Resource Center you will find on-demand learning, videos, job aids, tools, live virtual learning, and so much more.

Create a New Account

- Step One:** Go to trustage.com to [Create New Account](#).
- Step Two:** Fill in your information.
- Step Three:** Once completed, click "Manage My Applications and Services."
- Step Four:** Select Lending Resource Center from the Lending Support section.
- Step Five:** Your credit union's security administrator will approve your request before access is granted. Don't know who your security administrator is? [Look here](#).

Already have an account but can't access the Lending Resource Center?

- Step One:** Go to [Edit Services and Roles](#).
- Step Two:** Select Lending Resource Center from the Lending Support section.
- Step Three:** Your credit union's security administrator will approve your request before access is granted. Don't know who your security administrator is? [Look here](#).

Click [here](#) to access on-demand learning and resources and register for live webinars related to your TruStage Lending Suite products, services, forms, and more!
